

Buffalo Bayou Partnership

Mission:

Buffalo Bayou Partnership (BBP) is the non-profit organization transforming and revitalizing Buffalo Bayou, Houston’s most significant natural resource. Our organization focuses on planning, park development, hike and bike trail construction, land acquisition and public programming.

Current Student:

Current fellow, Michael Moran is working with BBP on several unique projects. Michael is taking inventory of industrial buildings along Buffalo Bayou in order for possible acquisitions and expansion of the bayou. Michael is also meeting with consultants to decide on a potential master plan. Finally, he is meeting with Fifth Ward residents to understand the use of private and public space in the neighborhood.
